

- 23** The graph shows the non-linear force-extension curve for a wire made from a new composite material.

What could be the value of the strain energy stored in the wire when it is stretched elastically to point P?

- A** 0.09 J                      **B** 0.10 J                      **C** 0.11 J                      **D** 0.20 J

- 24** The diagram shows the stress-strain graph for bone
