

- 26 The four graphs represent a progressive wave on a stretched string. Graphs **A** and **B** show how the displacement d varies with distance x along the string at one instant. Graphs **C** and **D** show how the displacement d varies with time t at a particular value of x .

The labels on the graphs are intended to show the wavelength λ , the period T , and the amplitude a of the wave, but only one graph is correctly labelled.

Which graph is correctly labelled?

A

B

C

D
