

8	(a) arrow labelled E pointing down the page	B1	[1]
(b)	(i) $Bqv = qE$ forces are independent of mass and charge 'cancels' so no deviation	M1	
		M1	
		A1	[3]
	(ii) magnetic force > electric force so deflects 'downwards'	M1	
		M1	
		A1	[3]
