

5 (a) (i) 1011

A1 [1]

(ii)

0	0.25	0.50	0.75	1.00	1.25	1.50
1011	0110	1000	1110	0101	0011	0001

All 6 correct, 2 marks. 5 correct, 1 mark.

A2 [2]

(b) sketch: 6 horizontal steps of width 0.25 ms shown

M1

steps at correct heights and all steps shown

A1

steps shown in correct time intervals

A1 [3]

(c) increase sampling frequency/rate

M1

so that step width/depth is reduced

A1

increase number of bits (in each number)

M1

so that step height is reduced

A1 [4]
